## SINGLE MALT SCOTCH

There is perhaps not a spirit that speaks so clearly of where it is from—Each district has its own story to tell—We have put together a compilation covering a range of styles and producers, some familiar, some not—Though ALL exceptional. **RARE SINGLE MALT SCOTCH**—At Grill 23 & Bar we believe in sourcing the best product possible, serving it properly, and offering a unique experience to each of our guests—this scotch list is a reflection of that philosophy—we have sourced eclectic bottles, both rare and interesting in an effort to continue to exceed our guests' expectations try one of our rare vintage offerings or one of our flights to compare.

**A quick note on aging vessels**—Wood, almost as important as the origin of the spirit itself, the vessel it is aged in offers flexibility and creativity on the part of the distiller.
