## MAD LIB

Fill in the blanks before reading the story. When you're done, read your silly story aloud!

H.D. Pappas was spending a \_\_\_\_\_ day at his family's ranch in \_\_\_\_\_<sup>SEASON</sup>. There were lots of animals on the ranch, like big, brown cows, \_\_\_\_\_<sup>CITY, TOWN</sup> horses and \_\_\_\_\_<sup>COLOR</sup>. H.D.'s favorite thing to do at the ranch was ride horses. H.D.'s horse, \_\_\_\_\_<sup>COLOR</sup> \_\_\_\_\_<sup>ANIMAL PLURAL</sup>, was \_\_\_\_\_<sup>NAME</sup> and he trotted \_\_\_\_\_<sup>ADJECTIVE</sup> when he saw H.D. coming to ride him. H.D. and his horse had so much fun riding through the field, over \_\_\_\_\_<sup>ADVERB</sup> and passed by lots of \_\_\_\_\_<sup>PLURAL NOUN</sup>. After \_\_\_\_\_<sup>PLURAL NOUN</sup> hours of riding, they were very hungry and thirsty. H.D. brought his horse to the barn, gave him some water and \_\_\_\_\_<sup>NUMBER</sup>. H.D.'s stomach was \_\_\_\_\_<sup>FOOD</sup> so he ran to the house to find something to eat. To his surprise, Mom was there waiting with his favorite food, a plateful of \_\_\_\_\_<sup>VERB ENDING IN 'ING'</sup>. H.D. enjoyed every bite and thanked his mom with a, " \_\_\_\_\_<sup>FOOD</sup>!"  
\_\_\_\_\_<sup>EXCLAMATION</sup>!"

# REMEMBER THE ALAMO

Help these Heroes reach the Alamo.

Jim Bowie

Davy Crockett

William B. Travis

Sam Houston

People would have to eat 360 cheeseburgers and drink 400 to 800 glasses of water each day to eat like cows.

# DOODLE SPACE

# FAMOUS COWBOYS

Will Rogers  
1979-1935

Annie Oakley  
1860-1926

Buffalo Bill  
1846-1917

Theodore Roosevelt  
1858-1919  
26<sup>th</sup> President of the U.S.

# TIC TAC MOO

The character of 'Uncle Sam' is modeled after Sam Wilson, a meatpacker from Troy, New York. During the War of 1812, the meat he shipped to the government was stamped 'U.S. Beef.' Soldiers began to call this beef Uncle Sam's beef.

# SOME CATTLE SPECIES

## TEXAS LONGHORN

- Developed in Spain and brought to Mexico in 1493. Driven to Texas in 1690.
- Eats a wider range of grasses and weeds than most other cattle.
- The most spectacularly colored cattle - so varied that no two are alike.
- Produces a very lean beef.
- Possesses a natural immunity to diseases and parasites.

## BEEFMASTER

- Developed in Texas in 1930s (Brahman-Hereford-Shorthorn cross).
- Heat, drought and insect resistant.
- Brownish-red is the most common color.
- Developed to thrive in the harsh climate of South Texas.

## BRANGUS

- Developed in 1932 in United States (Angus-Brahman cross).
- High performers on pasture and in the feed lot.
- Brangus cattle are black or red with a sleek coat.
- Cows are good mothers.
- Proven resistant to heat and high humidity.

## HEREFORD ANGUS

- Imported from England in 1817.
- Many females live and produce calves beyond 15 years of age.
- Hereford cattle are dark red, with a white face and crest.
- Known for their grazing ability.

## CHAROLAIS

- Imported from France in 1936.
- Tremendous muscling and conformity.
- Known for ease of calving and cross breeding.
- Long bodied and good milkers.
- The typical Charolais is white in color.
